Estimated work to be done

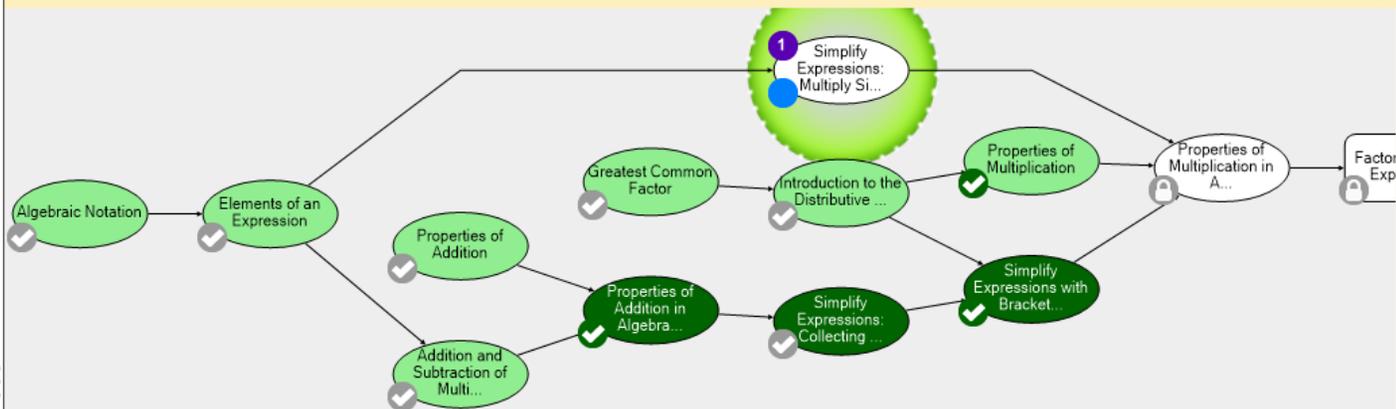

You've completed a lesson on Properties of Multiplication. Your score for the lesson was 100%. Your score is above your overall average so you are doing well. My measure of your ability for this item has increased (a lot) as a result of the lesson.

### Next steps

There is only one step available for you:

Step	Item	Time	Action
1	Learn <a href="#">Simplify Expressions: Multiply Simple Terms</a>	15 mins	<a href="#">Learn</a>

### My learning path (showing full objective)
